How to Enter Cheat Codes in Saints Row 2

Before exploring the most effective cheat codes saints row 2 offers, it is crucial to understand the method for entering these codes within the game. Unlike some games that use button combinations or

external menus, Saints Row 2 requires players to use the in-game cell phone to input cheats. This mechanic adds an immersive element to the process, integrating the cheats smoothly into the game world.

Using the In-Game Cell Phone

Players must first bring up the character's cell phone by pressing the designated button on their gaming platform. Once the phone interface appears, navigate to the contacts list and select the option to enter a new number. This is where cheat codes saints row 2 are typed in as phone numbers. Each cheat corresponds to a unique numeric code that triggers a specific effect once dialed. After inputting the code, pressing the call button activates the cheat immediately.

Important Details About Cheat Activation

While cheat codes provide powerful advantages, activating them disables the ability to earn achievements and trophies during that gameplay session. Players should save their progress before experimenting with cheats to avoid losing progress. Additionally, some cheats may conflict with others; therefore, it is recommended to activate one cheat at a time for optimal results.

Popular Cheat Codes Saints Row 2

Saints Row 2 features numerous cheat codes that cover a wide range of gameplay enhancements. Below are some of the most frequently used and beneficial cheat codes saints row 2 players utilize to maximize their in-game potential.

Unlimited Health and Armor

One of the fundamental cheats in Saints Row 2 is the unlimited health and armor code, which makes the player nearly invincible. This cheat is essential for players struggling with difficult missions or those

who want to explore the city without fear of dying.

Infinite Ammo

The infinite ammo cheat allows players to fire weapons without the need to reload or worry about running out of bullets. This significantly enhances combat effectiveness, particularly in intense shootouts throughout the game.

Unlock All Weapons

Instead of progressing through missions to unlock weapons, players can use this cheat to instantly access the entire arsenal available in Saints Row 2. This includes pistols, shotguns, assault rifles, and heavy weaponry.

- Unlimited Health and Armor: 3625550100
- Infinite Ammo: 3625550101
