Understanding Yusuke's Confidant Role

In Persona 5 Royal, each confidant represents a social link that the protagonist can develop with various characters, unlocking unique perks and storylines. Yusuke Kitagawa holds the Emperor confidant arcana, which symbolizes authority and self-mastery. As an artist with a distinct worldview, Yusuke offers insights into creativity and self-expression. Strengthening the bond with him not only enriches the narrative but also grants gameplay advantages, such as improved negotiation skills and enhanced combat abilities through persona fusion. Familiarity with Yusuke's personality and backstory helps in making dialogue choices that foster trust and accelerate confidant rank advancement.

Requirements to Start Yusuke Confidant

Before initiating the Yusuke confidant route, players must meet certain criteria related to story progression and character availability. Understanding these prerequisites ensures an efficient start without unnecessary delays. Key requirements include:

- **Story Progression:** Completion of specific main story events up to early October in the game's timeline.
- **Location Access:** Yusuke is usually found in the art room at Shujin Academy, which must be accessible.
- **Time Availability:** Players need free time slots on certain dates to interact with Yusuke.
- **Social Stats:** A moderate level of Charm or Knowledge may be beneficial for dialogue options, though not strictly mandatory for starting.

How to Initiate Yusuke's Confidant

Starting Yusuke's confidant involves specific steps triggered by meeting him in the right location and selecting appropriate dialogue options. The detailed process is as follows:

Meeting Yusuke for the First Time

The initial encounter with Yusuke occurs during a story-related event where the protagonist visits the art room. This meeting is automatic as part of the narrative in early October. After this introduction, players have the opportunity to spend time with him during free periods.

Visiting the Art Room

To officially start his confidant, visit the art room during lunch breaks or after school. Yusuke will be present, and engaging in conversation will trigger the option to start the confidant link. Ensure to choose dialogue options that show interest and understanding of his artistic perspective to build rapport.

Dialogue Choices to Begin the Confidant

When given dialogue options, select responses that encourage Yusuke. For example, expressing appreciation for his art or curiosity about his

techniques helps in solidifying the initial connection. Avoid dismissive or indifferent replies as they may delay confidant progression.

Advancing Through Yusuke's Confidant Ranks

Progressing through Yusuke's confidant ranks requires consistent interaction and making choices that resonate with his character. Each rank unlocks new abilities and deepens the understanding of his storyline.

Schedule and Availability

Yusuke is available on specific days, particularly during lunch and after school on weekdays, as well as some weekends. Managing time effectively to meet him frequently is key to steady progress.

Important Dialogue Tips

Success in advancing the confidant depends on selecting dialogue options that reflect empathy, artistic appreciation, and curiosity. Yusuke values sincerity and introspection, so responses aligned with these traits yield better results.

Rank Benefits

Each rank of the Emperor confidant with Yusuke unlocks unique perks such as:

- Improved persona fusion options
- Discounts on persona fusion costs
- Access to powerful new personas
- Story insights revealing Yusuke's personal journey

Tips for Efficient Confidant Progression

Maximizing the benefits of Yusuke's confidant link requires strategic planning and resource management. The following tips are helpful:

- **Prioritize Yusuke on Available Days:** Always choose to spend free time with Yusuke when possible to avoid missing rank-up opportunities.

- **Maintain Social Stats:** Improving charm and knowledge can unlock additional dialogue options that expedite confidant progress.
- **Use Items and Gifts:** Presenting gifts related to art or items that Yusuke appreciates can boost affinity.
- **Balance Confidants:** Manage time so you can maintain other confidant relationships while progressing with Yusuke efficiently.
- **Save Frequently:** Save before interactions to explore different dialogue choices for optimal outcomes.
